Basic Landscaping

Course content

The course will introduce the students for landscaping in general. The main skills they are able to develop during landscaping/physical labour is, quality and efficiency in the working process and product, of for an example:

- Planting and cultivating
- Paving with paverbricks and natural stones
- Garden design

The teaching will be organized as a combination between theory and practice. In addition, field trips will be organized to various companies that work on the subject.

All communication is in English. The students will therefor be able to develop their English skills in both technical terms and as spoken language in general.

The students will be presented for the typical Danish way of work life. The work life culture is presented during the physical labour at school and at company visits.

The students are also presented to the typical Danish way of life and culture and a term called "hygge" (there is no words for it in other languages, but a feeling of cosyness describes it the best). This introduction takes place both at the guided tours, but also during their stay.

- Journey Planner: www.rejseplanen.dk. In English:
https://www.rejseplanen.dk/webapp/?language=en_EN#!P|TP!histId|0!histKey|H484421

Suggestions for cultural activities:

Staying in Roskilde means staying in a World Heritage Site. The history of Roskilde and the surrounding areas dates back to the Viking and Middle Ages. One of the main attractions is the royal tombs in Roskilde Cathedral, an impressive architectural gem that has been designated a UNESCO World Heritage Site. <https://www.visitfjordlandet.dk/en/areas/roskilde/>

Lejre Land of Legends

Lejre Land of Legends was founded in 1964 in order to create new knowledge about the past through experimentation. On top of that, Lejre Land of Legends is an interesting and special destination for the entire family. Here, you'll find houses and environments from the Stone Age, the Iron Age, the Viking Age and the 1800s, as well as textile and pottery workshops, but also old animal races. All of this fits into the 43 hectares of unique nature with hills, forests, lakes and meadows. <https://sagnlandet.dk/en/>

Musicon

Musicon is a unique, vibrant and mixed district in Roskilde with a focus on art, culture and creativity in an urban creative environment. <https://www.musicon.dk/da-dk/about-musicon/>

Roskilde Cathedral

Roskilde Cathedral has been a UNESCO World Heritage Site since 1995. With its many unique royal chapels the Cathedral reflects the changing European architectural history across 800 years and is an early Scandinavian Gothic cathedral built in bricks. A World Heritage site is a monument or place that has important significance in the history of mankind. Today more than 1000 sites are inscribed on the World Heritage List by UNESCO, including the Pyramids, the Great Wall of China and Grand Canyon. The Cathedral is also part of the [European Route of Brick Gothic](https://roskildedomkirke.dk/english/). <https://roskildedomkirke.dk/english/>

Tivoli

Tivoli the oldest amusement park in the world is just a ride with the train away. In the heart of Copenhagen – right next to the Main Central Station is the entrance to a place of magic www.tivoli.dk
